

Shark Bites

Ways & Means Report

The Alberta Smith PTA will be sending home a spring fundraiser catalog when students return from their spring break. This fundraiser is being offered from Virginia Diner Peanut Company. This fundraiser will hopefully provide the PTA with the necessary funds to pay for pro-

grams such as next year's student agendas, new supplies for the school to replace ones not covered by next year's school budget, teacher's appreciation luncheon, end of the year celebrations for fifth graders and upcoming movie nights. Virginia Diner is a high quality

Virginia company selling nuts and food items. Their products make great gifts for Father's Day, birthdays, or any occasion. The fundraiser orders will be due on April 28th and the nuts will be delivered sometime in May.

Registration Information from the Smith Athletic Association

Spirit Night Information

Spirit nights are a terrific success. We want to congratulate the winning classes from March's spirit nights. Our Papa John's spirit nights resulted in Mrs. Hovermale's class winning a free pizza party. April's Papa John's nights will be the Tuesday, Wednesday, and Thursday we come back from spring break. We thank all of the fifth grade teachers who came out to March's skate night and we welcome everyone to come April 21st for the next skate night. Our Kindergarten team raised over \$60 on the prize wheel at Chick-Fil-A in March and Mrs. Dunford's class won the free nugget tray. The second grade teacher's welcome everyone to come out on April 27th for the next Chick-Fil-A night.
